

Following the Prime Minister's announcement on Monday evening (23 March), we will unfortunately now also be closing the tennis courts from any use. We are following advice from the Government which states the closure of 'communal places within parks, such as playgrounds, sports courts and outdoor gyms'.

We really appreciate all of the continued support from our members and players at Denmead Tennis Club. As you will be aware, membership renewals are due on 1st April and therefore the committee will postpone renewals until members are able to use the courts again.

We will of course continue to communicate with you via email and our social media channels.

Thanks again & take care.
